FOREWORD

A friendship lost — but two friendships made. A moment of fear and anxiety — and then, one of joy and fulfillment. Nothing was lost — everything was gained. Experience was our teacher.

In this annual, I hope you will see expressed all the emotions that you have seen or felt in the last nine months. Confusion was never lacking. But, as you look back, recall the feelings that you have shared in striving for a certain goal. Remember the tenseness, the laughter, and the bustle of the classroom. But most of all, remember the spirit which grew and the joy which was felt from being a part — a part of this year which was special in some way to all of us.

Knowing you as you are and loving you for being that way, we, the annual staff present to you this annual.

Mrs. Marie Keenan

We Proudly

When simple "Thank You's" seem insufficent to express the gratitude a student feels for a teacher, that student begins to look for ways in which he can further express his appreciation. For this and many other reasons, we, the 1972 Annual Staff, proudly dedicate the 1972 edition of the "Peak" to Mrs. Marie Keenan and Mrs. Jean Walk.

Both of these teachers unceasingly devote much of their own time and effort to the problems and activities of THS Students. Mrs. Walk diligently prepares many of her students for the business world through her teaching and sponsorship of our chapter of the FBLA. Mrs. Keenan also teaches student's the merits of business, and manages to

Dedicate . . .

maintain THS school spirit—even through those long winter months!

Due to the efforts of one or both of these teachers, we have enjoyed such activities as the Miss THS pageant, the Annual Homecoming Week activities, the annual Christmas parade, Pep Club and FBLA activities, the dances after the football and basketball games, the Christmas Dance, and the various Senior class activities.

To each of these teachers we wish to express our deepest appreciation for all they have done for us and for our high school. The THS's own "Bobbsey Twins", we say "THANK YOU!"

Mrs. Jean Walk

Each of us must dream a dream. Each of us must catch a vision of something great. Each of usin our own waymust learn something worth telling to others. Therefore it seems to methe objective of each generation ought to be to raise a better generation.

To each of you—
Best wishes and Godspeed

Ellis M. Tielde

Above: Principal, Ellis Fields sits at home, confined to chair and enjoys the days of recouperation after a leg operation (and the first day of school).

Right: "Oops-caught in the act!" (In Mr. Fields' absence, Mr. Wall sneaks into the principal's office and tries out the chair for size.)

Pictured here, you will find yourselves in many activities in which you may have participated from March 1971 until graduation of 1972. Here you will see yourselves in the hectic days of school. Likewise, you will see yourselves sharing the fun of class participation and friendship throughout the year. Hopefully in these pages, you will see reflected many of the joys and fears which you have experienced from the beginning.

Seven Tazewell High School students were honored by representing our school at Virginia Boys' — Girls' State. With the help of our counselors, state troopers, legislators, and judges, we learned much about our government. After we had set up our city and state government, we participated in party conventions and campaigns, an election, and an inauguration for our newly-elected governor. We spent the whole week cheering for our "cities", marching and meeting new friends.

Boys' and Girls' State was a week packed with new knowledge and experiences. But most important, we put the fundamentals that we learned about our government into practice.

OPEN HOUSE

On October 26, Tazewell held its' annual Open House which provided an opportunity for the parents to meet and talk to the teachers. The Student Council was in charge of the opening program which was held in the auditorium. Open House was a huge success due to the joint endeavor of the FBLA which furnished name tags, the FTA members who acted as guides, and the Home Ec. department who served refreshments.

The 1971-72 Bulldog Band, under the direction of Mr. Ronald Horton, was led by Drum Major, Pete Morrison and Head Majorette, Susan Kinder while Lynn Rutherford and Patsy Bowling proudly served as Captain and Co-captain of the Tazettes. The T.H.S. Band was proud to have as their mascot, Miss Tina Benson, who charmed everyone during half-time activities.

During the summer, many band members prepared vigorously for the half-time season. Susan Kinder and Chee Chee Richmond attended Majorette camp at Ferrum Jr. College in Ferrum, Va. Lynn Rutherford and Patsy Bowling attended Thurman's Baton Twirling and Cheerleading camp at Concord College in Athens, W. Va.

For the first time in several years, the band attended the Southeastern Band Festival and were awarded a rating of three.

Several of the students also participated in All-County and All-Regional Band.

During the past three years, the band has only missed one game and has played an important part in helping to promote school spirit among the students.

There are many things we should try to say about Ellis Fields. How can we, in such a short space, express our appreciation for all he has done and has tried to do for us? Who else could students talk into letting them get away with everything (almost)? He has shown great enthusiasm in all athletic, scholastic, and extra curricular activities. To you, Mr. Fields, all we can say is Thank You!

SENIORS

Here we are, Seniors! The time has been long-awaited and the name has been well earned. When each has gone his separate way, we will look back and remember . . . the thrill of getting our class ring, the sound of those wonderful words "Seniors first", a ball game won or lost, a date with that important someone, a Christmas dance, a friend and most of all graduation. We will look back at each of these events, each a time for happiness or sadness, and remember when we were the Seniors of 1972!

We're almost to the top! Juniors at last! On our return to T.H.S., we gladly accepted the rank as "Juniors" with much enthusiasm and school spirit. With the help of faculty members, our class officers, our sponsor, and our fellow classmates, our junior year was a great success.

We look back on our past achievements with pride, but look forward to the future achievements when we will become "Seniors".

SOPHOMORES

We anxiously awaited the time when we would enter T.H.S. as Sophomores. We entered the halls with open minds anticipating each new experience and adventure.

As our first task, we chose Billy Jones, Benny Nash, Mary Looney, and Bill Grant to be our class officers. With the approach of Homecoming week, we chose Loretta Duncan, who was escorted by Billy Jones, to be our attendant in the Homecoming court.

Eddie Witten efficiently represented our class throughout the year as S.C.A. treasurer and in the spring we elected another capable classmate to serve as S.C.A. secretary for next year.

Spring entered the halls of T.H.S. and two girls of our class radiantly ushered in the season as members of the May court.

We have truly enjoyed our year as Sophomores and anxiously await our year as Juniors with the same anticipation we felt last summer!!

FRESHMEN

Anxiously we awaited the fall of 1971 when we would enter T.H.S. as mighty FRESHMEN.

We soon got involved in many clubs and really began to show our school spirit. We cheered our football and basketball teams on to victory in our pep rallies and accepted the defeats with the maturity worthy of high school students.

As our year continued we honored many of our fellow classmates by electing them to offices and various extracurricular activities. We began by electing Pam Matney, Robin Roberts, Becky Sluss, and Robin Cecil as our class officers. During the fall months, we elected Regina Howery our Homecoming Attendant and we sponsored Rita Whitt in the MISS T.H.S. PAGEANT.

At Christmas, we attended our first formal dance at T.H.S. as high school students, and dreaded the end of Christmas vacation and the beginning of exams. In May, we chose two of our female classmates as May Court Attendants, and at the climax of our year we chose the one student we felt most capable as the S.C.A. Treasurer. We attended our class party, and elected two more students as BEST-ALL AROUND FRESHMEN.

We have enjoyed being Freshmen and eagerly await the sound of-SOPHOMORES NEXT!
